Versatility and adaptability  
for various sites

**RMG 6**

With 3-way dumping

# Turn transport simple.

Specialized in the manufacturing of trailers for more than 40 years, Gourdon SA is a family business which makes the choice to place its expertise at your disposal to offer smart and quality equipment.

## RELIABILITY

Rugged and heavy-duty components, optimized structures and Gourdon patented technologies are as many features that guarantee you a lifetime excellence.

## SERVICE

An after-sales service managed by professionals here to advise you. Thanks to your serial number, access the spare parts tool on our website.

## INNOVATION

Key technologies developed by Gourdon to serve your productivity and your safety. Mastered in-house design and production.

## COMFORT

Technical, ergonomic and optimized solutions to ease the coupling of the trailer, as well as the loading and the securing of the equipment.

## Versatile trailers, for collectivities and green spaces professionals.

Designed and manufactured according to Gourdon's know-how, these trailers with drop sides and extensions offer robustness and durability.

With a body made of a removable sides and extensions, they will help you complete sites of various sizes.

The 3-way dumping version offers a greater versatility at unloading, while maintaining a high dumping speed.
